Project Proponent:

Mark Kenmore LLC

Project Description:

The Proponent has filed a development plan for a Planned Development Area for the proposed project. The Proponent proposes to construct a new, 29-story, approximately 391-room hotel surrounded by a new, approximately half-acre public plaza. The Project also includes the demolition of the existing building at 560-574 Commonwealth Avenue, and shifting the building site east, amid the new public plaza. The shift allows construction of a new public street to connect Commonwealth Avenue and Beacon Street, in between the new plaza and the former building site. The Proponent will be responsible for construction of the new public plaza and roadway improvements, which will improve the pedestrian experience in Kenmore Square.
